Wise Center Access

College of Veterinary Medicine

The College of Veterinary Medicine has implemented the following access protocol. The relevant points of this system are as follows:

1. Entrance to the facility during normal working hours – Public entrances are open from 7:00 a.m. to 6:00 p.m. Monday through Friday. Public entrances include Southwest, North, and Animal Health Center lobby. Entry into the Animal Health Center hospital working area, rear compound area, research laboratories, diagnostic laboratory, and teaching laboratories requires a faculty, staff, student, or visitor identification badge or approval with escorts.

2. Entrance to the facility after normal working hours – Card entry is required. All individuals must possess faculty, staff, student, or visitor identification badge or be escorted by a carded individual. Southwest entry will be opened for scheduled events and individuals will not be permitted in restricted areas. Non-card carrying individuals may request after-hours entry using intercoms located at the Southwest and small animal emergency entrances.
