Cross Reference:

Performing Coggins Tests on Non-Admitted Patients

1. Open patient record as a "non-accession"
 2. Draw blood and complete Coggins Form (paper or electronic with DVM signature)
 3. Enter test request in UVIS
 4. Deliver blood tube and form to the Clinical Pathology Laboratory (keep goldenrod-colored sheet as receipt for client if using paper form)
 5. Complete charges and collect fee. Request a check made payable to the AHC.
- Physical exam or paperwork is not necessary.
 - The clinic copy of the Coggins form (with results) will be automatically sent to medical records and added to the patient's file if using paper form.
