The Southwest parking lot is the designated parking lot for faculty, staff, students, and visitors. The compound area is restricted access and is not used for routine parking. Biomedical Research, Lab Services, Animal Health Center, and the Television Center have limited reserved spaces to accommodate emergency needs or other approved parking. Parking is not allowed on fire lanes, landscaped areas, or streets on a routine basis. Citations will be given for violations.

CVM also has parking in the Scales parking lot and it is lighted.

University parking decals are required at CVM. Decals must be purchased at the employee's expense from the MSU Police Department. Contact the campus Parking Services at 325-3526 or on-line at <http://www.parkingservices.msstate.edu/> about the proper procedure to obtain a decal.
