FOOD ANIMAL PRACTICE GUIDELINES

The Food Animal Medicine and Surgery, Theriogenology and Ambulatory section provides comprehensive care to all animals. It functions to provide primary veterinary services as well as referral services for Mississippi and neighboring states in association with a veterinary teaching hospital.

For further information, contact:

325-1067 for Food Animal Medicine and Surgery

325-0038 for Theriogenology

325-6759 for Ambulatory Services

Student clinical policies are contained in the current CVM-5276 Syllabus, April 2012.

Billing policies are maintained by the Animal Health Center Accounting Office.
